PAPER WAGE REPORTS

Guidelines For Paper Reports

An optical character recognition (OCR) system is used to read information on the tax and wage reports. Optical scanning reads typed and computer printed data and electronically converts it for computer processing. This system eliminates clerical key entry and is therefore very cost effective and accurate. The OCR can process reports at less than half the cost of clerical data entry.

Report In Specified Format

Submit wage reports on the preprinted forms provided or in the print format specified by the format guide on 8-1/2" x 11" white bond paper. **Return the original forms, not photocopies.** Please do not attempt to duplicate our forms. If you need our forms, call us at (608) 266-0353; email your request to wagenet@dwd.state.wi.us; or write us at DWD - UI Wage Reporting, P.O. Box 7962, Madison, WI 53707; we supply forms free of charge.

Type Or Computer Print

Type or computer print all paper reports (letter quality, no dot matrix please) to ensure readability by the optical scanner (OCR). The OCR reads data, which has been typed or printed in **black ink** on 8-1/2" x 11" white bond paper with:

- Font = OCR-A or OCR-B
- 6 lines per inch
- 10 characters per inch
- Double spacing (one employee per line)
- First Name field = 8 characters or less
- Last Name field = 10 characters or less

Report Social Security Number, Name and Total Gross Wages Paid

Report the social security number, name and total gross wages paid each employee for that quarter. Since Wage Reporting files are accessed by social security number, it is crucial that the number reported be accurate.

Printing Information By Hand

The OCR equipment is able to read computer printed or typewritten information ONLY. All hand written documents must be manually keyed into the computer system. If a typewriter is not available and the report must be completed by hand, PLEASE PRINT ALL INFORMATION WITH BLACK INK.

DO NOT STAPLE FORMS

If you are unable to conform to the above specifications and have access to the Internet, you can file your quarterly Tax and Wage Report and make your payment via Electronic Fund Transfer (EFT) on the Internet. The Internet address is <https://unemployment.wisconsin.gov/qtwrsadlogin/welcome.aspx>.

Preprinted Forms

Preprinted forms are designed for employers who consistently employ fewer than 100 employees.

A preprinted wage report form will be mailed to employers with the tax report at the end of each quarter. The wage report form will contain preprinted information, including the social security number and name of each employee as reported by the employer in the prior quarter. You must:

1. Complete wage information for employees shown;
2. Add SOCIAL SECURITY number, name, and wages for newly hired employees;
3. Leave the wage entry blank if an employee received no wage for the quarter; and
4. Complete the tax portion of the report.

For employers with fewer than 10 employees, the tax report and wage report are printed on a single page. For employers with 10 to 99 employees, the tax report is one page and separate preprinted wage reports are attached. An extra wage report form is also supplied to add new employees.

Samples of forms follow. Our forms are available free of charge. **Photocopies of forms cannot be used.** Please do not attempt to duplicate our forms.

Form UC-7827 – Pin Feed Wage Report

This report is a continuous pin-feed form designed for use with tractor-feed printers. However, DWD no longer encourages the use of this form because most tractor-feed printers produce dot-matrix print, which cannot be read by the OCR Scanner that we use to process these reports.

If dot matrix is the only style of printer available to you, we would prefer that you use one of our electronic reporting formats, or file reports on-line using our Internet application. For more information on Internet reporting visit our website at <https://unemployment.wisconsin.gov/qtwrsadlogin/welcome.aspx>.

INSTRUCTIONS FOR COMPLETION:

Align information under the preprinted example shown on line 1 of the form. Center all information inside the boxes. Exact print positions are the same as form UC-7823.

The employee LAST NAME cannot exceed 10 characters.

The employee FIRST NAME cannot exceed 8 characters.

Other reporting options using the same print report format are:

1. Use blank forms UC-7823 in your laser or ink-jet printer.
2. Rather than printing your wage report on pinfeed forms, route your print data to a file and either copy the file to a diskette and mail it to us, or dial up our bulleting board system and transmit your data file electronically via modem.
3. You can file your quarterly Tax Report, UCT-101, and make your payment via Electronic Fund Transfer (EFT) via the Internet at <https://unemployment.wisconsin.gov/qtwrsadlogin/welcome.aspx>.

Form UC-7832, Template For Wage Report

Wage reports may be filed on plain 8-1/2" x 11 white bond paper, providing that the data fields are positioned using our approved print format. If you wish to file in this format, the department can provide a clear Mylar template which is used as a guide for positioning the data fields on the page.

With this wage reporting option, you must also complete a separate Quarterly Tax Report. For an example and instructions on completing Form UCT-101. See Section 2, Part 4.

INSTRUCTIONS FOR COMPLETION:

Use the grid printed on the template to position each data field. Center all information inside each box on the grid. Note that the template contains field titles and item numbers to help you place data in the correct field. *However, please do not print grid lines, field titles, or item numbers on your wage report.* The data is identified by its position on the page; it does not have to be labeled. Place the clear template over your completed wage report form to check that each field is positioned correctly.

A letter quality printer should be used to produce the report so that it can be read by our OCR scanner. **Please do not use Dot Matrix printing** as it is unreadable by our OCR scanner and must be manually key entered.

The employee LAST NAME cannot exceed 10 characters.

The employee FIRST NAME cannot exceed 8 characters.

Other reporting options using the same print report format are:

1. Use blank Forms UC-7823 in your laser printer.
2. Rather than printing your wage report on plain white paper, route your print data to a file and either copy the file to a diskette and mail us the diskette, or dial up our bulletin board system and electronically transmit your wage data file via modem.
3. You can file your quarterly Tax Report, UCT-101, and make your payment via Electronic Fund Transfer (EFT) via the Internet at <https://unemployment.wisconsin.gov/qtwrsadlogin/welcome.aspx>.
